Guys - nothing else needed from HQ. I checked with Mark Pollins. Good luck with signatures!

Hi guys – I don't think there is anything you/we need to do from HQ perspective (since it is signed by R3/R5). However, I will check and be back in touch via email tonight (or I'll text you tomorrow).

Thanks!!

Subject: concurrence memo

Hi – I'm attaching the 2006 concurrence memo, which I will work from to update and include in the sign-off packages. I'll send you what I have tomorrow morning if I don't get to it tonight. I'll also update the team after I talk with Mike. Lynne, who should we work with in OECA tomorrow and Friday, assuming we may get sign-off and approval to send the Amendment to Respondents for signature? Thanks-Jacquie
